Woodland Statistics for Scotland			
April 2015 to March 2016			
Important Notes			
<p>Note 1: Tables 1, 2 and 3 are based on paid areas. WGS and SFGS figures are from April 2015 to March 2016. SRDP Rural Priorities figures are based on claims received with a 2015 claim year, with the exception of the annual payments. Rural Priority annual payments were not made in this financial year.</p> <p>Note 2: Sitka spruce is not grant aided under SRDP - Rural Priorities except for vegetative propagated material under 'Diverse Conifers'. This needs to be taken into account if comparing the restocked area with previous years.</p> <p>Note 3: Table 4 is grant expenditure & income from April 2015 to March 2016</p> <p>Note 4: Tables 5 to 7 are based on approved areas by claim year.</p>
